

2009 Belgravia Riesling

Our 2009 Riesling celebrates the two very different styles produced on our high-altitude vineyard in Orange NSW. One patch offers fruit richly perfumed with distinct floral notes and minerality, the other micro-site bears grapes laden with essence of lime and racy citric freshness. The blended wine celebrates its cool climate origins. Delicate enough to drink now as an aperitif (or with prawns), it also has the acidity to reward patient cellaring.

Alcohol: 11.4%
